

Take the Pledge

The Achieving Together movement is guided by the idea that small actions can have a big impact when focused on a clear vision and goals. Just like many small drops of water form together into a stream, grow into a river, and eventually flow into the ocean, each person who contributes to this movement is essential to creating a sea of change.

Will you join us?

I pledge to do my part to help Texas achieve:

- an end to HIV as epidemic
- a climate of acceptance and inclusion free from stigma
- health equity for all people, regardless of age, race, ethnicity, sexual orientation, gender identity, and socio-economic status.
